

Important Articles and Handouts

Following is a bibliography of notable articles on writing and professional development. They have been compiled via multiple sources and will be supplemented as needed. This is a detailed, but not definitive, list designed to provide graduate students with official and unofficial information to complete your studies and prepare for an academic career.

Writing: Dissertations/Theses/Articles/Books

The following documents are intended to provide you with useful information to help you develop your writing.

On Literature Reviews

Sheila Carapico, "No Easy Answers: The Ethics of Field Research in the Arab World," *PS* 39 (2006): 429
